

## TRUMBULL COUNTY BOARD OF DEVELOPMENTAL DISABILITIES

Policy

Section 10.0

### DISPLAY OF FLAG

The display of the national flag is required by Section 3313.80 of the Revised Code of Ohio. The school principal shall make certain that a flag is properly displayed in each classroom and a large flag is displayed outside the building.

Section 3313.80 reads as follows:

“All Boards of Education, all proprietors or principals of private schools, and all authorities in control of parochial schools or other educational institutions shall display the United States flag, not less than five feet in length, over, near, or within all school houses under their control, during each day schools are in session.

No person, having control of any school house or other educational institution, either as an individual or in connection with any person, shall neglect or refuse to carry out this section. Each day of such refusal or neglect constitutes a separate offense.”
