

## DECEMBER STAFF SPOTLIGHT

# MS. STANDOHAR

This is Marie's fourth year at Fairhaven. She taught for 32 years at Leonard Kirtz School. After retiring from Kirtz, she soon realized that she wasn't ready to stop teaching. When she got the call from Roe to sub she decided to get back into teaching...but only part-time. Well... needless to say.....part-time turned into full-time and she's never looked back. "I never thought I would find the family I had at Kirtz. I just thought I would do this for a short time then exit into retirement again. Wow, was I wrong! I have fallen "head over heels" with my students and I have so enjoyed getting to know a whole new set of colleagues that I now call my friends. I truly feel part of a family again."

When Marie is not with her Bulldog family, she enjoys spending time with her husband, to whom she has been happily married for 33 years, and their children Kacy, 29 and Jimmy, 25. Marie enjoys going out to dinner, reading, shopping and getting outdoors to run or walk.
