

— / JANUARY STAFF SPOTLIGHT —

## MS. LISA

I am truly honored to be January's Spotlight Teacher, Fairhaven School is such a wonderful and exciting place to work. I have only been here for 3 years, but I feel like part of a family. I love coming to work everyday and working with my students. I have the best team to work with, which makes teaching even better. I come from a family of educators, a Dad who was a teacher, a sister a psychologist and many other family members that are teachers. I worked at Purple Cat every summer in college which led me to want to become a teacher. I have been teaching for 19 years, which means I am getting pretty old. I have been married for 18 Years my husband's name is Stavros, yes we had a " Big Fat Greek Wedding". I have two children Elias 15 and Sophia 17. We recently opened a painting company we are GREEK, so when I am not in school, I get the pleasure of running a business. Lastly, even though I have been teaching for 19 years, I still feel like there is so much to learn. I love seeing my students learn and watching them progress over the years is even more rewarding. I learn everything from them and every year I learn a little more about myself as a teacher and my students. Happy New Year to all of the Fairhaven Families and I hope you have a great year !!!

IF YOU SEE HER IN THE HALL, PLEASE GIVE HER A POSITIVE SHOUT-OUT.

**WELCOME BACK, STUDENTS!**
