

MARCH STAFF SPOTLIGHT

MS. PAM

Pam has worked at Fairhaven for 23 years. She started at the workshop and then transitioned over to the Preschool which she enjoys very much. She has two sons, Phillip and Christopher. She has one grandson, Christopher, who turns 6 in March.

When Pam is not working she loves to cook, sew and on the weekends you can find her watching old Charlie Chan Movies.

Pam is currently working on her associates degree, which she hopes to have completed before she turns 100 years old.

She absolutely LOVES working at Fairhaven and she learns something new each day.

If you see her in the hall, give her a positive shout out!
