MEET CUSTODIAN

Janis Metzendorf

Janis Metzendorf has been working with the Trumbull County Board of Developmental Disabilities for 24 years! She works as a custodian in the Maintenance Department and is always quick with a bright smile and a positive attitude. If anyone ever needs anything, Janis is always the first one to help and she is well-known for having such a big heart.

When Janis isn't seen around TCBDD, you can find her working on all sorts of crafts. She's gotten so good at crafting she even taught herself how to make lace!

As if that isn't enough, Janis is also busy with her two fur babies. They're named Angelica and Julien, and you can bet she spoils them with smiles and kindness, just like she does with everyone at TCBDD!

Next time you see Janis, give her a wave and smile – you're sure to get that and more in return!
