CLASSROOM ASSISTANT

My time at Fairhaven School began as a substitute for the TCESC in 2006. Later, I subbed exclusively for TCBDD. In March 2008, I was hired as a full-time bus aide, and in March 2011, I became a full time 12-month bus driver. I drove a bus until November 2017 when I accepted a bid into the school as a classroom assistant/floater in the EI department, and later, in the preschool. I continue to be a substitute bus driver for our transportation department as the need arises.

Hands down, the best part about working here is getting to be with the children we serve and helping them grow. My co-workers are important to me, too. I try to positively impact them by being a team player and by providing help, where needed, using my problem solving skills.

My husband, Mike, and I have been married for 37 years. Our son, Joseph, is a graduate student at The Ohio State University. Together, we have lived in Bazetta Township for 27 years. When not at work, I have many different activities to fill my time. During the colder months, my favorite hobby is researching my family tree on Ancestry.com and other genealogical sites. I also enjoy baking goodies. In warmer months, I enjoy swimming and lounging by the pool with a good book. I also enjoy working in the yard planting flowers.
